Investment Focus

The Fund invests primarily in U.S. debt and money market securities either denominated in U.S. dollars or hedged to U.S. dollars and is unrestricted across all credits.

Why Invest in this Fund?

Established in 1997, Canso Investment Counsel Ltd. is an independent firm focused on bottom-up security selection and fundamental credit research.

Canso utilizes its proprietary Maximum Loss analysis as a risk management tool to size positions while maintaining concentrated portfolios with high conviction in their best ideas.

This independent credit expertise and investment management experience enables Canso to buy securities when they are out of favour and priced at a discount to their intrinsic value.

Risk Rating

- **USD Denominated Income Solution** – US dollar denominated fixed income fund focused on long term capital growth.
- **Adaptable to Market Conditions** – Portfolio is unconstrained from both a duration and credit perspective, allowing Canso the flexibility to position the portfolio according to market conditions. Mandate is benchmark agnostic.
- **Extensive Investment Management Expertise** – Large investment team with experienced credit specialists with expertise in determining default risks and recovery values of issuers to identify corporate bond opportunities. The continuity of the team has contributed to the successful management of investor portfolios over different market cycles.

²Fixed income securities unrated by external agencies are assigned an internal Canso rating for Average Credit Quality.

³Distributions are based on the actual number of units outstanding at the relevant time. Distributions are paid in cash or reinvested in additional units. If the series’ net income/capital gains is less than the amounts distributed in the year, the distribution will include a return of capital. In these circumstances, if an investor elects to receive their distributions in cash and not reinvest distributions, it is expected that the value of their investment will decline over time. Distributions are not an indication of performance, rate of return or yield.
