ASSET MANAGEMENT

Investment Objective

The ETF seeks to generate income while preserving investor capital by investing primarily in preferred securities of Canadian issuers that are listed on a Canadian stock exchange.

Why Invest in this ETF?

Founded in 2009, Slater Asset Management is an independent portfolio manager with a focus on delivering dedicated, active management of Canadian preferred share portfolios to investors. Slater's approach to investing in preferred shares is based on identifying high quality preferred shares that are at a discount to the market. Slater is committed to the ongoing monitoring of preferred share valuations to provide prudent risk management.

- **Experience** – Portfolio Manager with over 20 years' experience managing portfolios of preferred shares.
- **Active management** – Slater's active portfolio construction results in a well-diversified portfolio of preferred shares offering diversification from traditional equity and fixed income securities.
- **Tax Efficient Income** – Slater invests in Canadian preferred shares which are taxed at a more favourable rate than interest income because of the federal dividend tax credit.

Lysander-Slater Preferred Share ActivETF

Lysander Funds Limited is the investment fund manager of Lysander-Slater Preferred Share ActivETF (the “Fund”). This document is not an invitation to invest in the Fund and does not constitute a public offering of sale. Commissions, trailing commissions, management fees and expenses all may be associated with investment funds.

The indicated rates of return are based on calculated net asset values per unit, which are net of management fees, operating expenses, and applicable taxes. These returns include changes in unit value and reinvestment of all distributions and do not take into account certain fees such as redemption fees or optional charges or income taxes payable by any securityholder that would have reduced returns. Please read the prospectus before investing. Investment funds are not guaranteed, their values change frequently and past performance may not be repeated.

²Distributions are based on the actual number of units outstanding on the record date. Distributions are paid in cash and an investor that receives these distributions should expect that the value of their investment will decline over time. Distributions are not an indication of performance, rate of return or yield. If the Fund’s net income/capital gains is less than the amounts distributed in the tax year, the distribution will include a return of capital.
