MANAGEMENT LIMITED

Investment Focus

This Fund invests in a diversified portfolio consisting primarily of equity securities of mid-to-large cap Canadian companies judged to have above-average growth potential or be undervalued.

Why Invest in this Fund?

Founded in Montréal, Pembroke is an employee-owned firm that has been creating long-term value for clients since 1968 by investing in high-quality, growth-oriented companies.

The firm selects well-managed companies with robust fundamentals, proven performance, and the potential for sustained growth. By avoiding companies with high levels of debt and unnecessary diversification, Pembroke builds portfolios centred around future market leaders.

The firm invests in companies whose management teams share their vision for operational excellence and strategic growth, thus aligning business decisions and shareholder interests.

Risk Rating

- **Long term** value creation and alignment of interests with investors are key objectives.
- **Exposure** to attractive mid to large-sized Canadian companies across investment sectors.
- **Bottom-up** fundamental process to portfolio construction.

Lysander Funds Limited is the investment fund manager of Lysander-Pembroke Canadian All Cap Equity Fund (the "Fund"). This document is not an invitation to invest in the Fund and does not constitute a public offering of sale. Purchases in the Fund can only be made through an investment professional on the terms in the Fund's offering document by eligible investors. Each purchaser of units in a fund may have statutory or contractual right of action. Please read the prospectus before investing. Commissions, trailing commissions, management fees and expenses all may be associated with investment funds.

The indicated rates of return are historical annual compounded total returns including changes in unit value and reinvestment of all distributions and do not take into account sales, redemption, distribution or optional charges or income taxes payable by any securityholder that would have reduced returns. Investment funds are not guaranteed or insured, their values change frequently and past performance may not be repeated.

²Distributions are based on the actual number of units outstanding at the relevant time. Distributions are paid in cash or reinvested in additional units of the Fund. If the Fund's series' net income/capital gains is less than the amounts distributed in the year, the distribution will include a return of capital. In these circumstances, if an investor elects to receive their distributions in cash and not reinvest such distributions, it is expected that the value of their investment will decline over time. Distributions are not an indication of performance, rate of return or yield.
