Commissions, trailing commissions, management fees and expenses all may be associated with investment funds. Please read the offering document before investing. Investment funds are not guaranteed, their values change frequently and past performance may not be repeated.

No offering is being made by this document.

All investments contain risk and may lose value. This document has been distributed for informational purposes only and is not intended to constitute investment advice or a recommendation of any particular security, strategy or investment product. Information contained herein has been obtained from sources believed to be reliable, but not guaranteed. No part of this document may be reproduced in any form, or referred to in any other publication, without express written permission.

Only Class A units of the Canso Credit Income Fund are listed on the Toronto Stock Exchange. You will usually pay brokerage fees to your dealer if you purchase or sell units of Canso Credit Income Fund on the Toronto Stock Exchange. If the units are purchased or sold on the Toronto Stock Exchange, investors may pay more than the current net asset value when buying units of Canso Credit Income Fund and may receive less than the current net asset value when selling them. There are ongoing fees and expenses associated with owning units of an investment fund. An investment fund must prepare disclosure documents that contain key information about the fund. You can find more detailed information about Canso Credit Income Fund in these documents.
