Commissions, trailing commissions, management fees and expenses all may be associated with mutual fund investments. Please read the prospectus before investing.

Mutual funds are not guaranteed, their values change frequently and past performance may not be repeated.

No offering is being made by this document.

All investments contain risk and may lose value. This document has been distributed for informational purposes only and should not be considered as investment advice or a recommendation of any particular security, strategy or investment product. Information contained herein has been obtained from sources believed to be reliable, but not guaranteed. No part of this document may be reproduced in any form, or referred to in any other publication, without express written permission.

Distributions are based on the actual number of units outstanding on the record date. Distributions are paid in cash. Distributions are not an indication of performance, rate of return or yield. If the fund's net income/capital gains is less than the amounts distributed in the tax year, the distribution will include a return of capital. An investor that receives a return of capital should expect that the value of their investment will decline over time.
