The Independent Review Committee (the “IRC”) of the funds listed above (the “Lysander Funds”) is pleased to submit this Report to unitholders of the Lysander Funds for the year ended December 31, 2025. The IRC was formally established on June 23rd, 2010.

The intent of the IRC is to support the investment fund manager (IFM) and review any conflicts of interest matters as they may arise in the operation of the Funds. Additionally, the IFM is required to establish policies and procedures to ensure that potential conflicts are suitably resolved in the best interest of the Funds.

The members of the IRC have extensive experience in investment fund management, securities trading, governance, and accounting.

Lysander Funds Limited (the “Manager”) is the investment fund manager of the Lysander Funds.

IRC COMPENSATION AND INDEMNITIES

The total amount of the fees and expenses of the Independent Review Committee members paid by all the funds for which Lysander is the fund manager for the year ended December 31, 2025, was \$57,437.92. The amount was allocated among the Lysander Funds in proportion to the Lysander Funds' assets in a manner that the Manager considers to be fair and reasonable.

The initial IRC compensation was set by the Manager. Thereafter, the members of the IRC review and determine the IRC compensation on an annual basis while taking the following into consideration:

- the number, nature, and complexity of the investment funds for which the IRC acts;
- the nature and extent of the workload of each member of the IRC, including the commitment of time and energy that is expected from each member;
- industry best practices, including industry averages and surveys on IRC compensation;
- the best interest of the investment funds; and
- the recommendation, if any, of the Manager.

No indemnities were paid to the IRC members during this period.

CONFLICT OF INTEREST MATTERS

National Instrument 81-107 – *Independent Review Committee for Investment Funds* requires the IRC to review all conflict of interest matters identified and referred to the IRC by the Manager and, if the IRC considers all applicable conditions are met, to give an approval or a positive recommendation, depending on the nature of the conflict of interest matter. In certain cases, the IRC may give its approval or positive recommendation in the form of standing instructions to the Manager to enable the Manager to act on the particular conflict of interest matter on a continuing basis.

Approvals

As permitted by Canadian securities legislation, the Lysander Funds may be relieved from certain investment restrictions and practices in securities legislation provided that, among other things, the approval of the IRC is obtained before engaging in the relevant transaction. In accordance with the requirements in National Instrument 81-102 *Investment Funds* and NI 81-107 and exemptive relief granted by the Canadian securities regulatory authorities, for the period from January 1, 2025 to December 31, 2025, the IRC has provided approval for the Lysander Funds, subject to terms and conditions, to purchase securities from or sell securities to another investment fund or discretionary account managed by the Manager or an affiliate of the Manager (referred to as inter-fund trades or cross-trades).

The IRC is required to advise the applicable securities regulatory authorities if it determines that a cross-trade was not made in accordance with the conditions of its approval. No such reports to securities regulatory authorities were required in 2025.

Positive Recommendations
