to use for investment purposes. While these strategies will be used in accordance with the Fund's investment objectives and strategies, during certain market conditions they may accelerate the pace at which your investment decreases in value.

The indicated rates of return are historical annual compounded total returns including changes in unit value and reinvestment of all distributions and do not take into account sales, redemption, distribution or optional charges or income taxes payable by any securityholder that would have reduced returns. Investment funds are not guaranteed or insured, their values change frequently and past performance may not be repeated.

²The management expense ratio ("MER") is based on the total expenses of the period mentioned, including the Fund's proportionate share of the MER, if any, of any underlying fund in which the Fund has invested, and is expressed as an annualized percentage of daily average net asset value during the period. If the Fund invests in an underlying fund where Lysander Funds Limited is the investment fund manager, no management fees are payable by the Fund that would duplicate a fee payable by the underlying fund.

³Monthly, by the last business day of the calendar month.

⁴Monthly, provided notice is received by the Fund no later than the 15th day of the month (or, if the 15th day is not a valuation day, the preceding immediate valuation day).

⁵Prior to May 11, 2020, Series F was offered on a private placement basis. The inception date of Series F Units is March 31, 2014. The inception date of the Fund is December 19, 2008. Performance information for the period December 19, 2008 to March 30, 2014 is that of the Fund but with Series F fees and expenses applied. Prior to May 11, 2020, the operating expenses of the Fund would have been higher had the Fund been subject to the additional regulatory requirements applicable to a reporting issuer.

⁶December 19, 2008 (Fund inception date).

⁷Fixed income securities unrated by external agencies are assigned an internal Canso rating.

⁸Distributions are based on the actual number of units outstanding at the relevant time. Distributions are paid in cash or reinvested in additional units of the Fund. If the Fund's series' net income/capital gains is less than the amounts distributed in the year, the distribution will include a return of capital. In these circumstances, if an investor elects to receive their distributions in cash and not reinvest such distributions, it is expected that the value of their investment will decline over time. Distributions are not an indication of performance, rate of return or yield.
